Seattle Urban Academy is a sister ministry of SPIRIT 105.3 FM and KCIS. Situated in Seattle's Rainier Valley, SUA is a positive, alternative, Christian educational community where at-risk high school students develop academic, social, and spiritual maturity to graduate to higher education and sustained employment. Since 1989 SUA has served at-risk teens and is an integral part of CRISTA's ongoing youth outreach. Lunch is provided to the kids each day by volunteers and donors. For some students this lunch is their primary meal of the day.

The tangible results: Young people who are transformed and invest back into our community!

Dietary concerns include: 1 student allergic to citrus, 1 student allergic to dairy, and a staff that includes 2 vegetarians, 2 low cholesterol, and 1 gluten and dairy free. As always, our staff can fend for themselves, but if you are able to provide options for the few students needs that would be great.
