Afternoon Drive with Donna Cruz

Monday – Friday 2pm-7pm

In 2002, Donna left mainstream radio in Minneapolis to begin a new chapter in her career in ministry radio. She's spent time entertaining in rock and top 40 radio plus as an entertainment reporter and even took a spot on the set of VH1's Rock Across America.

Though Texas has always been "home", Donna was born in California, then moved to Maine, Montana, then Canada, (Yes, Dad was in the military!) Texas, New York, back to Texas, Germany, back to Texas, (see a pattern here?), then to Minnesota, South Florida, Nashville and now, back to Texas.

Donna knows what it's like to juggle a busy life with kids and a career. Whether you're a busy stay home mom or you work outside the home, there's always a place for you to connect. Afternoons on Spirit 105.9! 512-327-1059
