Weekday Middays with Lisa Barry

Monday – Friday 10a – 3p

I sure love spending time with you during the Middays! I always imagine that you and I are sitting at a coffee shop just talking about life. You know, family, kids, priorities, email, faith, the stresses and joys of life.

I'm married to a great guy and we have 3 daughters; two teenagers and one in her early twenties. I think I love this stage of parenting more than any other. Probably because I love conversation more than changing diapers. I also love shopping and learning new things (I buy a book or an audio book from Amazon probably once a week). I've been in radio for 25 years and love it. Thanks for welcoming me into your life through the radio.
